NEVADA TRANSPORTATION AUTHORITY

TOW CAR ANNUAL FEE – RENEWAL

ANY CARRIER WHO HAS TEMPORARILY SUSPENDED OPERATIONS FOR ANY REASON WILL NOT BE ABLE TO COMPLETE CY2027 TOW CAR DECAL RENEWALS UNTIL THEY HAVE COMPLETED REQUIREMENTS TO RESUME OPERATIONS.

All carriers certificated by the Nevada Transportation Authority (NTA) must pay an annual fee of $36 for each vehicle in operation that falls under the definition of "tow car" pursuant to Nevada Revised Statute (NRS) 706.451.

Carrier's current "26" decals will expire at midnight December 31, 2026. The $36 fee for the "27" decal is due in either of our office locations no later than 5:00 p.m., Monday, January 4, 2027. Please refer to the guidance below to complete the renewal process.

All carriers must provide a report listing the vehicles they intend on renewing for verification prior to rendering annual fee payment. The vehicle list must include the vehicle year, make, license plate number, VIN, and NTA Tow Plate and decal number. The enclosed vehicle list template is provided to assist you in this process. Completed vehicle reports can be emailed to nta@nta.nv.gov (**preferred method**), faxed to (702) 486-2590, or mailed/hand-delivered to either NTA office location.

Once your vehicle report has been verified, NTA staff will contact you to confirm the total annual fee amount due based on the number of eligible vehicles verified. Upon receipt of your payment, NTA will issue the "2027" decal. **Note: Pursuant to NRS 353.1467, effective July 1, 2008, all payments or money to a state agency for obligations of $10,000 or more must be made by electronic transfer. Contact our office to make arrangements for this process.**

Summary of procedure:

- Carriers must ensure timely notification in writing to the Authority regarding any additions, removals, or updates to their vehicle fleet.
    - Vehicles that have revisions (i.e. License Plate changes, corrections to VIN#, etc.) should include proper documentation to support any revisions made.
    - Vehicles that are being removed from fleet which have an associated decal must surrender the decal with removal notification.
    - Vehicles to be added to fleet must be first inspected by the NTA by appointment. Please contact our office to schedule an appointment. *Please note vehicles added to fleet on or before December 31st would incur fees for both the current year and the renewal year, if the carrier intends the continued use of the vehicle. In such situations, payment must be made separately.*

For questions, please contact Administrative Assistant staff member
Austin Sigstad (775) 687-9790 or Colyn Slocum at (702) 486-6455

Failure to renew the decals timely will result in penalty fees and interest and will result in the Nevada Transportation Authority enforcement staff taking appropriate action.

CPCN CARRIER FLEET LISTING – ANNUAL DECAL RENEWAL

Carriers must ensure timely notification in writing to the Authority regarding any additions, removals or updates to their vehicle fleet. Vehicles that have revisions (i.e. License Plate changes, corrections to VIN#, etc.) should include proper documentation to support any revisions made. Vehicles that are being removed from fleet which have an associated decal must surrender the decal and plate with carrier removal notification letter.
