Small Business Impact Statement Questionnaire
Proposed Temporary Amendments to NAC 706A.190 and NAC 706B.440

The proposed temporary amendments relate to the Nevada Transportation Authority's ("NTA") requirement to annually review the assessments payable by Transportation Network Companies ("TNC") pursuant to Nevada Administrative Code ("NAC") 706A.190 and the assessments payable by Autonomous Vehicle Network Companies ("AVNC") pursuant to NAC 706B.440. Pursuant to the preceding regulations, the NTA is required to annually review the current assessments to ensure the monies collected meet the needs of the NTA in enforcing and regulating TNCs and AVNCs. Currently there is no method listed in either regulation, NAC 706A.190 and NAC 706B.440 to determine how to calculate if the assessments are enough to fulfill what is required by NAC 706A.190 and NAC 706B.440. The proposed changes will include a methodology to more accurately calculate the assessments to ensure the monies collected are adequate to fulfill the requirements under NAC 706A.190 and NAC 706B.440.

The following questions pertain to how the changes in the NAC presented in the enclosure may affect your business. If it is determined that the proposed regulation is likely to impose a direct and significant economic burden upon a small business, or directly restrict the formation, operation, or expansion of a small business, then the agency will take any or all of the following actions:

1. Insofar as practicable, consult with owners and officers of affected small businesses;
2. Consider methods to reduce the impact of the proposed regulation; and
3. Prepare a small business impact statement and make copies of the statement available to public at the public workshop hearing to be held pursuant to NRS 233B.061.

Please answer each of the following questions that apply and add any qualifying remarks that may help us to understand your position. **Please mail or email your completed form on or prior to September 11, 2026 to the following:**
