

## Nevada Transportation Authority — Model Tow Tariff (Flat Rate)

- Towcar operator shall itemize on a tow bill each rate used or fee charged to compute the bill. All charges shall be substantiated in writing and attached to the bill. (NAC 706 420) --
- Timed services are to be billed in full increments for each increment during which any such services are performed --
- On MULTIPLE TOWS - timed services not attributable to any particular vehicle will be shared equally between the towed vehicles --
- All rates set forth below include the services of the driver --

| Definitions of these tow services are available for review from the tow car operator or at www.nta.nv.gov |                  | Category A                                                                                                                                              |        | Category B |       | Category C - Requiring tow truck with unladen weight of 15,000 lbs. or less                                                                                                                                                                                                                                 |        | Category C - Requiring tow truck with unladen weight of more than 15,000 pounds |       |
